President's Message

My Fellow Kiwanians,

This is the fourth comprehensive Kiwanis Foundation of New England (KFNE) Annual Report. This report for fiscal year 2008-2009 will be distributed directly to every club in the New England District via the club secretary. Individual donors will receive one by mail and reports will be available at New England District functions throughout the year.

We encourage Kiwanians and others to support the John D. Morton Society, a giving program named for a Past Governor of the New England District and the only Kiwanis International President from our district. Individuals who donate \$25 or more to this fund become members of the Morton Society. Those who give at least \$5000, or pledge through their will or estate, receive the John D. Morton Society Medal. This is a planned giving program and we hope that you will consider "Leaving a Legacy."

Our partnership with the New England Revolution soccer franchise has completed its 9th year. This partnership has provided Kiwanis clubs many opportunities:

1. To create a service project by taking kids to a major league soccer game.
2. Raise funds for KFNE and
3. Most importantly, enhance the brand identity of Kiwanis all year on the Revolution website and during Kiwanis Family Night at Gillette Stadium.

The Hap Gerrish Pediatric trauma Registry fund raising is complete, Gerrish, a former New England District Governor and one of the founders of KPTI, died of cancer. The Registry, in his honor, is a KFNE, KPTI, and Floating Hospital for Children endeavor to help injured children throughout the world. The Internet-based registry will be accessible worldwide by rural hospitals and pediatricians, researchers and anyone in need of information on how to care for pediatric trauma patients. This project is a continuation of twenty-six years of commitment by New England Kiwanians to improve the care of injured children.

Every Kiwanian in New England is a member of the KFNE with a vested interest in how our foundation is performing. Let your district foundation work for you. We continue to need funds to support our programs, particularly KPTI. Please donate generously on an ongoing basis.

Purpose of KFNE

*From Bylaws of the Foundation
(Abbreviated)*

The purposes of the Foundation shall be:

A. To receive property, including gifts from the members of the Kiwanis Clubs of the New England District, and others, and to solicit the receipt of property.

B. To make payments to corporations, trusts, funds or foundations organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes.

C. To make payments to or for the benefit of the poor, needy and deserving persons, giving preference to persons who, while not paupers, have become in need to financial assistance because of misfortune, or to persons who, by such assistance, may be aided to become self-supporting, to acquire an education or training, or perform useful or creative work to become more useful citizens.

D. To make payments to or for persons for the advancement or promotion of science, learning, medicine, surgery, literature, music, art, or human welfare.

Mission Statement

From KFNE Policy Manual

The Kiwanis Foundation of New England, Inc., (KFNE) is the 501(c)(3) non-profit charitable Fund-raising arm of the New England District of Kiwanis International (NEDK). The mission of the Foundation is to work in partnership with the New England District of Kiwanis and others to effect programs for the betterment of communities in New England and beyond, with special focus given to programs which affect young children.

History of the Foundation

The Kiwanis Foundation of New England was incorporated as a 501c(3) charity in 1953. It was initially created to collect tax-deductible funds from Kiwanians and other contributors, for a scholarship program to benefit a student in each of the six New England states.

The \$3000 budget for the scholarship program (to fund six \$500 awards) was quite high for the mid 1950s. It was this initiative that eventually led to the creation of the "Friends of the Foundation" program. Each contributor of \$1000 received a Foundation Red Jacket.

In 1978 the Foundation took a bold step. They asked then-President, Harold "Hap" Garrish, DMD, to "search for a dramatic and appropriate project that KFNE could undertake and that could be renowned throughout New England and funded by the New England District of Kiwanis (NEDK) membership." With almost 10,000 Kiwanis members in the district at the time, a focused project could have a huge impact in the region.

Dr. Gerrish approached Dr. Ed Wyman, head of the Fracture Clinic at the Massachusetts General Hospital. After much discussion, Dr. Wyman suggested helping traumatized children. Doctors at the time knew that children reacted differently than adults to trauma, but no area hospital was conducting research. Dr. Wyman knew Dr. Jerry Grossman, who was leaving Massachusetts General Hospital for Boston's Floating Hospital. He was to head a new state-of-the-art pediatric clinic.

After numerous meetings with Floating Hospital officials, a project was presented to the KFNE board; the research center would be supported by Kiwanis. The center would focus on treatments administered to children, and share results throughout the medical community. Education was also a priority; paramedic personnel would learn the difference in medical treatments between children and adults.

The cost of the program was \$245,000 per year, and New England members accepted the challenge. For nearly ten years, clubs and members gave to the Foundation for KPTI.

In 1990 a proposal to permanently fund KPTI was accepted by the Board of Trustees. A \$3 million endowment (at an assumed 8% return) would provide funds for fixed expense at the time. Although the Foundation hasn't missed a payment, declining market rates have affected the project. The success of this important program will depend on the continued generosity of Kiwanians and friends around New England.

Contributions to the KPTI endowment are still needed. Red Jackets and Crest Upgrades will continue to benefit the pediatric program.

Today, the Foundation has created new ways to raise money, especially unrestricted money, so that other projects can be adopted. The Morton Society is one of the newest programs, and has been a success since its inception.

A new initiative was launched to raise an additional \$1.5 million dollars which will increase our endowment to \$5 million dollars, (which at an assumed rate of return of 5%) should insure that we will continue to make our payment of \$245,000 each year to KPTI. This initiative is called "**Strive for Five**". We anticipate raising the additional funds through the "Shaw's Register Receipt Program"; conducting a 10K Walk, and the new Gerrish/ Engdahl Memorial Golf Tournament.

Red Jackets & Kiwanis Pediatric Trauma Institute

The Red Jacket is awarded to people who have shown great support of the KPTI Endowment Fund. They also make great gifts for special members of your club, or special people in your life.

Kiwaniis "10K for Kids" Family Walk

On Saturday, October 13, 2007, the Kiwanis Foundation of New England sponsored its first 10K for Kids walk. The event took place in Worcester, MA and was attended by members from around New England as well as Kiwanis International President, Dave Curry and First Lady Eve! Approximately \$15,000 was raised, which was split with the Kiwanis International Foundation.

Individuals - Sustaining Donors

Kiwanians distinguish themselves as Sustaining Donors by annual giving. Kiwanians are offered a Sustaining Donor pin to show their continued support of New England Foundation projects.

John D. Morton Society

Established by The Kiwanis Foundation of New England Board of Directors in August, 2003, this program honors those men and women who make gift provisions to support our Kiwanis Foundation of New England.

Named for the late John D. Morton of Berlin, New Hampshire, he was the first person from the New England District to be elected President of Kiwanis International, serving 1991-1992. Therefore, we honor the Foundation's exceptional donors in honor of John's exceptional leadership of our worldwide organization.

The following people are Morton Society Members (gift of \$25 or more):

The "Hap Gerrish" Kiwanis Pediatric Trauma Registry

Harold T. 'Hap' Gerrish, DMD, joined Kiwanis in 1957, and *served* the organization. He was a member of the Kiwanis Club of Dover-Foxcroft, club president in 1965, Lieutenant Governor in 1967, and Distinguished Governor in 1991-1992. He dedicated 28 years to the KFNE Board and was President from 1981-83.

Dr. Gerrish also served on Tufts-New England Medical Center board for over twenty years, and was co-founder of the Kiwanis Pediatric Trauma Institute.

Dr. Gerrish died at 76 on June 29, 2006 in Bowerbank, Maine on Sebec Lake.

Today we honor Dr. Gerrish for his service to the Children of the World through The "Hap Gerrish" Kiwanis Pediatric Trauma Registry.
