# President's Message

My Fellow Kiwanians,

Every Kiwanian in New England is a member of the Kiwanis Foundation of New England. You have a vested interest in how our Foundation is performing. Let your district foundation work for you. We continue to need funds to support our programs. We also need interested, passionate individuals who are willing to serve to support the Foundation.

We ask Kiwanians to encourage their fellow Kiwanians and others to support the programs of the Foundation such as the John D. Morton Society, the partnership with the New England Revolution soccer franchise, which has completed its 10th year, and the The Hap Gerrish Pediatric Trauma Registry. Our flagship program, the Kiwanis Pediatric Trauma Institute at Tufts Medical Center, is undergoing a review to determine outcomes from current programs and look to strengthen ways to continue effectiveness of this program.

Our fundraising efforts have resulted in some additional income but much more is needed. The "Strive for Five" program needs your support (bring our total income earning fund to \$5,000,000). We need to see more people wearing Red Jackets and expand our materials and marketing so all Club members, and the general public, know who we are and what we are accomplishing.

Perhaps you have some ideas about fundraising and programs. Contact a member of the Board of Directors and share your thoughts.

Finally, it has been my privilege and pleasure to serve a number of years on the KFNE Board and as your KFNE Board President the past two years. I challenge each of you to support the Foundation and to encourage ongoing involvement in the programs.

Sincerely,

Art Creighton  
President

*P.S. This is the fifth comprehensive Kiwanis Foundation of New England Annual Report. This report for fiscal year 2008-2009 will be distributed directly to every club in the New England District via the club secretary. Individual donors will receive one by mail and reports will be available at New England District and KFNE functions throughout the year. You can also download one at [www.kfne.org](http://www.kfne.org). Visit the "About" page.*

# Purpose of KFNE

*From Bylaws of the Foundation  
(Abbreviated )*

The purposes of the Foundation shall be:

- A. To receive property, including gifts from the members of the Kiwanis Clubs of the New England District, and others, and to solicit the receipt of property.
- B. To make payments to corporations, trusts, funds or foundations organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes.
- C. To make payments to or for the benefit of the poor, needy and deserving persons, giving preference to persons who, while not paupers, have become in need to financial assistance because of misfortune, or to persons who, by such assistance, may be aided to become self-supporting, to acquire an education or training, or perform useful or creative work to become more useful citizens.
- D. To make payments to or for persons for the advancement or promotion of science, learning, medicine, surgery, literature, music, art, or human welfare.

## Mission Statement

*From KFNE Policy Manual*

The Kiwanis Foundation of New England, Inc., (KFNE) is the 501(c)(3) non-profit charitable Fund-raising arm of the New England District of Kiwanis International (NEDK). The mission of the Foundation is to work in partnership with the New England District of Kiwanis and others to effect programs for the betterment of communities in New England and beyond, with special focus given to programs which affect young children.

# History of the Foundation

The Kiwanis Foundation of New England was incorporated as a 501c(3) charity in 1953. It was initially created to collect tax-deductible funds from Kiwanians and other contributors, for a scholarship program to benefit a student in each of the six New England states.

The \$3000 budget for the scholarship program (to fund six \$500 awards) was quite high for the mid 1950s. It was this initiative that eventually led to the creation of the "Friends of the Foundation" program. Each contributor of \$1000 received a Foundation Red Jacket.

In 1978 the Foundation took a bold step. They asked then-President, Harold "Hap" Gerrish, DMD, to "search for a dramatic and appropriate project that KFNE could undertake and that could be renowned throughout New England and funded by the New England District of Kiwanis (NEDK) membership." With almost 10,000 Kiwanis members in the district at the time, a focused project could have a huge impact in the region.

Dr. Gerrish approached Dr. Ed Wyman, head of the Fracture Clinic at the Massachusetts General Hospital. After much discussion, Dr. Wyman suggested helping traumatized children. Doctors at the time knew that children reacted differently than adults to trauma, but no area hospital was conducting research. Dr. Wyman knew Dr. Jerry Grossman, who was leaving Massachusetts General Hospital for Boston's Floating Hospital. He was to head a new state-of-the-art pediatric clinic.

After numerous meetings with Floating Hospital officials, a project was presented to the KFNE board; the research center would be supported by Kiwanis. The center would focus on treatments administered to children, and share results throughout the medical community. Education was also a priority; paramedic personnel would learn the difference in medical treatments between children and adults.

The cost of the program was \$245,000 per year, and New England members accepted the challenge. For nearly ten years, clubs and members gave to the Foundation for KPTI.

In 1990 a proposal to permanently fund KPTI was accepted by the Board of Trustees. A \$3 million endowment (at an assumed 8% return) would provide funds for fixed expense at the time. Although the Foundation hasn't missed a payment, declining market rates have affected the project. The success of this important program will depend on the continued generosity of Kiwanians and friends around New England.

**Contributions to the KPTI endowment are still needed.** Red Jackets and Crest Upgrades will continue to benefit the pediatric program.

Today, the Foundation has created new ways to raise money, especially unrestricted money, so that other projects can be adopted. The Morton Society is one of the newest programs, and has been a success since its inception.

*A new initiative was launched* to raise an additional \$1.5 million dollars which will increase our endowment to \$5 million dollars, (which at an assumed rate of return of 5%) should insure that we will continue to make our payment of \$245,000 each year to KPTI. This initiative is called "**Strive for Five**". We anticipate raising the additional funds through the "Shaw's Register Receipt Program"; conducting a 10K Walk, and the new Gerrish/ Engdahl Memorial Golf Tournament.

# Red Jackets & Kiwaniis Pediatric Trauma Institute

The Red Jacket is awarded to people who have shown great support of the KPTI Endowment Fund. They also make great gifts for special members of your club, or special people in your life.

# John D. Morton Society

Established by The Kiwanis Foundation of New England Board of Directors in August, 2003, this program honors those men and women who make gift provisions to support our Kiwanis Foundation of New England.

Named for the late John D. Morton of Berlin, New Hampshire, he was the first person from the New England District to be elected President of Kiwanis International, serving 1991-1992. Therefore, we honor the Foundation's exceptional donors in honor of John's exceptional leadership of our worldwide organization.

## The Morton Medal

To encourage current as well as future gifts from individuals as well as clubs, the Foundation will bestow a numbered medallion to the donor or honoree when either of two criteria are met:

1. An outright gift of \$5,000 or more (individuals or clubs) or
2. A planned gift commitment of \$5,000 or more (individuals only.)

### *The following people hold the Morton Medal:*
